OFFICE OF EDUCATION  
WASHINGTON

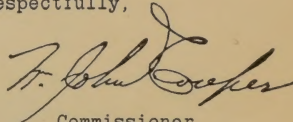

June 12, 1930.

Mr. Sydney Phillip Noe, Librarian,  
American Numismatic Society,  
156th St. & Broadway, New York, N. Y.

Dear Sir:

Permit me to call your attention to the communication  
below, from the Chief of the Statistical Division of this Bureau.

Very respectfully,

  
Commissioner.

We are glad to have the report of your library. May  
we have the following additional information?

1. Number of volumes and pamphlets added to the library last  
year. Amount these cost. Was there any expenditure for  
binding?
2. Please state the amount paid out for salaries of the  
library staff.

If exact figures are not available, estimates will be  
acceptable.

Thank you.

The Commissioner of Education  
Department of the Interior  
Washington, D.C.

Dear Sir:

Responding to your communication of June 12th, I regret that it is impossible to give you the information regarding our library which you ask, partly owing to the fact that during 1929 our building was in the course of enlargement and the library very much in disorder, with regard to the second question, because my duties as Librarian are only part of those I perform and it is practically impossible to even estimate what was paid for the Librarian's salary and that of the part-time assistant.

Regretting that it is not possible for me to be specific,

Very truly yours,

Secretary.
